PRELIMINARY REMARKS

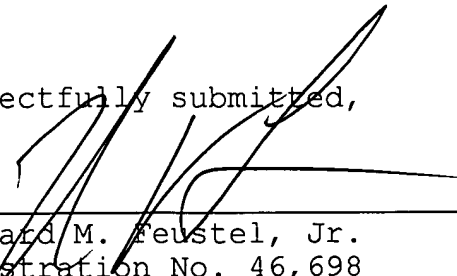

Sir:

Applicants wish to inform the Examiner that Republic of China Publication No. 247388 cited in the Second Supplemental Information Disclosure Statement (IDS) mailed May 25, 2001 was cited in a foreign communication by the Taiwanese Intellectual Property Office in counterpart Taiwanese Application No. 88111862. This foreign communication can be made available to the Examiner at the Examiner's request.

This reference was cited to the United States Patent Office more than three months after the foreign communication was mailed. No fees for the Second Supplemental IDS are believed due because the May 25, 2001 Second Supplemental IDS was mailed prior to the first Office Action on the merits.

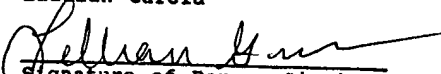

Consideration of the foregoing in relation to this  
patent application is respectfully requested.

Respectfully submitted,
